Aurangabad, MH 431005

**Degree:** Master's in Computer Science**Term:** Spring 2017

November 8, 2016

Dear Rajeev Vilas,

We regret to inform you that the Graduate Admissions Committee is unable to offer you admission for graduate study. Your credentials received careful consideration before this decision was made by the faculty.

Thank you for your interest in graduate study at New York University and we appreciate your time and effort invested in applying.

Sincerely,

A handwritten signature in black ink that reads "Raymond Allen Lutzky". The signature is written in a cursive, flowing style.

Raymond Allen Lutzky, Ph.D.

Senior Director, Graduate Enrollment Management and Admissions
